Acupuncture An Anatomical Approach by Houchi Dung 2004 04

Anatomical Acupuncture is a breath of fresh air. This is a book that I, again as a western trained physician, can immediately grasp and immediately implement in my own clinical practice. I have already begun treating a few select patients based on what I learned in this book and am already seeing positive clinical outcomes. I highly recommend this book to you. You won't be disappointed. Well worth the investment.
